The story so far!

KEDAMONO

Hi,

Konatsu here. ♡

It all began the summer during an overnight trip to a basketball training camp. It was a huge shock to find out that Haruki changed into a girl at night, but it was a happy accident. Once the Secret was out we both realized how we felt about each other and started to date ♥ It hasn't always been easy, especially with the appearance of romantic rivals and the revelation that Haruiki's siblings have the same peculiar affliction. In spite of that, we are a pretty happy couple. The only real problem so far is that we haven't gone any further in our relationship than kissing. I wonder how Haruki feels about that.

HAVE YOU EVER HEARD OF THE GHOSTS OF TARO-SAN AND HANAKO-SAN?
THEY WERE TWO NERDS WHO FELL IN LOVE WITH EACH OTHER. BUT JUST AS THEY WERE ABOUT TO GO ON THEIR FIRST DATE...
...THEY DIED IN A HORRIBLE CAR ACCIDENT.
EVER SINCE THEN...
...WHEN THE LAST SCHOOL BELL RINGS...
...PEOPLE SAY THEY GO ON A SPECTRAL DATE TO TRY TO KEEP THEIR YOUTH--AND THEIR LOVE--ALIVE
IF LIVING YOUNG LOVERS SEE THEM THIS WAY...
...IT'S BELIEVED THAT THEIR LOVE WILL GROW. ♡

"Please Keep It A Secret"♡
Kedamono Damono

♡ I drew this because I wanted to draw a boy who learned about Haruki's secret And one day I think I'd like to draw a story about Jun and his ex-girlfriend, as well

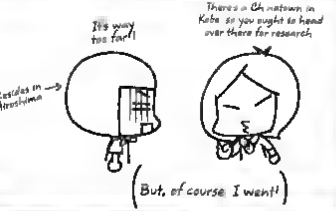
"Wedding Bells!"
Kedamono Damono

♡ This is the first time in this series that I've had the story continue across chapters so it was really exhilarating for me wondering if my readers would follow along with the story

Does that mean I have to buy another one of those really thick wedding magazines?
(For reference)
I wanna dress Kanatsu in a wedding dress!

"You're Under Arrest!"
Kedamono Damono

♡ I had wanted to draw a boy/girl gender switching manga for the longest time so this story was a dream-come-true for me Boy Kanatsu turned out a lot crazier than I thought and ended up being quite popular



It's way too far!!
There's a Ch.natown in Kobe so you ought to head over there for research
Besides in Hiroshima
(But, of course I went!)

"It's A Ghost!"
Kedamono Damono

♡ I love glasses on boys so I drew this story and filled it with lots and lots of love For Tare san
